Ongoing Repairs of Surprise Valley Road

Nixon, NV:

The Pyramid Lake Paiute Tribe Transportation Planning Department has been working with the Federal Highways Administration Emergency Repairs for Federally Owned Roads program (ERFO) to re-construct the flood damaged drainage areas along Surprise Valley Road at the north end of Pyramid Lake. The work has been ongoing for approximately 11 weeks and is nearing completion. The road will remain closed to the public for 3 more weeks or while the construction crew completes their final stages of construction and rehabilitation to the affected areas.

The Pyramid Lake Paiute Tribe would like to remind our visitors that the road will remain closed until further notice. We apologize for the inconvenience however public safety and the safety of our construction partners is our priority.

The Tribe will issue an official announcement when the road is re-opened.

###

About the Pyramid Lake Paiute Tribe: Pyramid Lake Paiute Tribe's members are direct descendants of the Northern Paiute people who have occupied the vast area of the Great Basin for thousands of years. The Tribe maintains a 477,000 acres reservation 35 miles northeast of Reno NV. The reservation fully contains Pyramid Lake, a 175 sq. mile desert terminal lake primarily receiving water from the Truckee River.
