EM	I was informed by the (L&RC) that the Tribe is not responsible for connecting any portion of my land assignment to an electric source. I am fully aware that connecting electricity to my property is my financial responsibility when/if I am granted a land assignment.
EM	I was informed by the (L&RC) that if public utilities such as water and electricity run through my property that others will be allowed to access such utilities if access to such public utilities requires hooking up to the main line on my property.
EM	I was informed by the (L&RC) that the Tribe is not responsible for constructing or hooking up a sewer system on my property. I have been advised that Indian Health Services may be able to assist me at no cost if I choose to contact them for assistance.
EM	I was informed by the (L&RC) that Tribal Land is considered open range land on the Pyramid Lake Paiute Tribe Reservation. Cattle and other livestock have free range of our lands unless a proper fence and gate are built to keep them out. Building a fence around my land assignment to keep livestock out is my financial responsibility if/when given a land assignment.
EM	I understand that per the Tribal Land Assignment Ordinance that if I do not show signs of land use/improvements within a 2-year period the land may be revoked and/or re-assigned to other Tribal members.

Stewardship of any Tribal Lands is all our responsibility. When assigned a piece of Tribal Land members must understand it is not only a moral obligation to care for such land but a financial obligation to follow through with the plans that are presented on your land assignment application. By signing this disclaimer as part of your land assignment application the applicant is stating that they are fully aware of this personal obligation.

The applicant and his/her designated successor hold harmless the Pyramid Lake Paiute Tribe in addressing the financial obligations the new land assignment will incur when developed.
